Re: New Application – Saturn Group, LLC
UBI: 603-344-149-001-0002
License: 427732 -7F County: 28

To Whom It May Concern:

The San Juan County Council is in receipt of the above referenced application for a Marijuana Producer Tier 3 license on Lopez Island. Based on an initial review of the application, the County finds it necessary to request a 20 day extension as allowed for by RCW 69.50.331(7) in order to fully evaluate the application and possible impacts, and to provide a reasonable opportunity for public comment.

This letter constitutes our formal request for a 20 day extension. Additional time will afford the County an opportunity to:

- a) determine the exact location of the subject property to the boundaries of a nearby public park;
- b) ascertain the status of code enforcement actions against the proponent;
- c) conduct a critical areas (wetlands) analysis to determine if suitable area exists for proposed physical improvements;
- d) verify the location of school transportation stops; and
- e) review over 300 public comments submitted to date.

The County asks that you grant the 20-day extension as requested. Please direct any questions regarding this request to County Manager Mike Thomas at miket@sanjuanco.com or 360-370-7406.

Sincerely,

A handwritten signature in blue ink that reads "Jamie Stephens". The signature is written in a cursive style with a long, sweeping tail on the letter "s".
